

Bron Imaging Group requires our dealers to authenticate all qualified educational discount purchasers according to the following policies for appropriate identification. Bron Imaging Group reserves the right to make a case by case determination on participant eligibility for the program discounts as defined below.

Program Eligibility For Students, Educational Institutions, Faculty, & Instructors

Students

K-12 Qualified students enrolled in grades K-12 at an accredited public or private primary or secondary school providing full-time instruction that are enrolled in photography class or classes as part of an art or journalism program.

Higher Education - Full time students at higher education institutions defined as accredited public or private university or college (including community, junior or vocational college) that grants degrees requiring not less than the equivalent of two (2) years of full-time study who are enrolled in photography classes as part of an art, advertising, journalism, or commercial photography program.

Educational Institutions

Educational institutions that teach a curriculum directed towards a student desiring a career in the field of photography.

Faculty & Instructors

K-12 Qualified Faculty, Teachers, and Instructors Teachers instructing in grades K-12 at an accredited public or private primary or secondary school providing full-time instruction who are engaged in teaching photography as part of an art or journalism program.

Higher Education - Full time faculty member or instructor at higher education institutions defined as accredited public or private university or college (including community, junior or vocational college) that grants degrees requiring not less than the equivalent of two (2) years of full-time study who are engaged in teaching photography as part of an art, advertising, journalism, or commercial photography program. (Part time faculty or instructors at qualified institutions may be eligible for the educational discount but only on a case by case basis.)

Required Identification & Forms

Students

For a purchase by student, appropriate identification means: Clear, readable copies of the following documents: A current, valid photo identification and valid evidence of current enrollment in an accredited educational institution. Examples include without limitation: School photo identification card that includes date validating current status as student. Copy of current course curriculum with a valid date and printed with the Educational Institution logo or seal; or an official letter from the dean or principle of the educational institution stating student is enrolled full time in a photography program.

Educational Institutions

For a purchase by an educational Institution, Appropriate Identification means: A valid, official purchase order or check issued by an educational Institution or the school district of the primary or secondary school; or current credit card information with the proper name, billing address, and 'ship to' or delivery address of the educational institution or school district or school; or a current personal credit card or check payment from Individuals who are faculty or staff with a 'ship to' or delivery address of the educational institution or school.

Faculty & Instructors

For a purchase by faculty, teacher or instructor, appropriate identification means: clear, readable copies of the following documents: A current, valid photo identification and valid evidence of current employment by an accredited educational institution. Examples include without limitation: School photo identification card that includes date validating current status; or School photo identification or drivers license or other official photo identification with corroborating evidence including but not limited to: faculty or staff pay check stubs; course curriculums taught with a valid date and printed with the educational institution logo or seal; or an official letter from the dean or principle of the educational institution.
